OFFICE OF THE ACADEMIC REGISTRAR

Friday AUG 30th, 2019

Dear Mr. ALPHAN
MUCHOBI

SAI AUGUSTINE INTERNATIONAL UNIVERSITY (SAIU) ADMISSION

We are pleased to inform you that the University has admitted you to study **Bachelor of Medicine and Bachelor of Surgery** in the College of Health, Medicine and Life Sciences for five years effective **Monday August 5th, 2019**. This Admission is discretionary limited to the full duration of the course; therefore mandatory to pass progression examinations and observation of all rules and regulations of the University at all times. Please accept our congratulations for your outstanding achievements.

Your application and accomplishments convinced us that you have intellectual energy, digital revolution imaginations, inquisitive talent and moral rearmament for academic excellence, research and community engagement to flourish, contribute immensely during and after your study to multiply wealth for growth of university, student, family, nation and the world. The Vigour at SAIU campus is absolute as well as excitement of self-serve in lecture room.

We have taken great care to choose individuals who have the necessary academic qualifications, extracurricular and personal strengths.

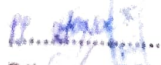

The university is non-residential and **tuition fee is USD1,250** payable in advance. You will also pay UGX20,000 per academic year to National Council for Higher Education. This admission is conditional to your annual contributions to the endowment fund as will be determined by the alumni committee. As member of SAIU community you shall join a wealth multiplication research group to inspire, innovate and invent to search for solutions to some of the world's most complex, ever changing challenges, such as aging populations, communicable ailments and non-communicable diseases like cancer. You are required to develop a business proposal and publish at least once every semester. You will participate in maintaining clean environment at campus.

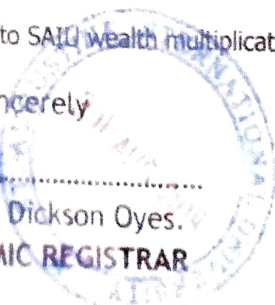

Your admission to study a degree at SAIU is based on your application, attached academic certificates, identifications and other documents that show you have the requisite entry requirements. During your study or after, if your attached certificates/documents are found defective, or forged, you will automatically forfeit the admission, revocation of awards and be liable to prosecution.

The university, its directors, employees, partners, collaborators, the Board and all associates do not hold any responsibility on account of omission or commission during and after your stay at SAIU. We are not responsible for any inadvertent error that may have crept in during and after your study.

Welcome to SAIU wealth multiplication community. You will add value to the world.

Yours Sincerely

Bikorwa Dickson Oyes.

RE: SSEMAKULA SULAIMAN (BMS/8991/172/DU)

The above named person is a third year student at Kampala International University pursuing a Bachelor of Medicine, Bachelor of Surgery (MBChB) Programme.

I would like to inform you that he has finished his pathology class and he is currently waiting for his results.

Meanwhile, he seeks a clinical attachment as a medical student in training at your hospital for the period he will be in holidays.(6 Weeks)

This is intended to enhance him with practical skills and above all, provide him with work experience.

Please any assistance rendered to the above student in reference to clinical practice will be appreciated.

Yours Sincerely,

S-O. ALA
